Most Important/Interesting Items: In my judgment, the following items were the most important things covered during the meeting.

- The Interim Fee Schedule was approved. The final vote on the fee schedule will occur after the Public Hearing on 7/23. Committee Chairs will receive packets soon. Information will also be available on the Town website
- Ruth Indrick from Kennebec Estuary Land Trust asked for and received approval from the Selectboard in support of the Flying Point Culvert Project
- Tyler Washburn reported that CMP can remove the offending streetlight on Bay Point Rd. The Selectboard approved the removal
- The Selectboard asked Tyler Washburn to gather information from CMP, the Road Commissioner, and local residents regarding the streetlight on Robinhood Road that residents are concerned about

Correspondence:

The Town Administrator reported on correspondence received. For a complete listing of this correspondence, see the Meeting Agenda on the Town website.

The most interesting items were:

- Email from Philip Davis, Sagadahoc County EMA, re: upcoming trainings
- Email from Ruth Indrick re: Flying Point Project
- Email from Lisa Reece re: Robinhood Road Street Light

Public Comment:

- Lisa Reece asked the Selectboard to consider removal of a streetlight on Robinhood Rd. The light was not operational for approximately 2 years but has been fixed. Residents in the area are bothered by the bright light and are concerned about the light attracting Brown Tail Moths
