THE MEETING: I was the only member of the public present.

The minutes of the meeting of November 8, 2016 were approved. They will be posted on the Town website.

This was the shortest Selectboard meeting I have attended. The agenda was short and there was very little discussion.

MOST IMPORTANT/INTERESTING ITEMS: In my judgment, the following items were the most important things covered during the meeting.

- **Comprehensive Plan Exploratory Group:** Kate MacKay gave a brief debrief of the organizational meeting held by the exploratory group on November 14th. She also advised that the exploratory group has scheduled a more formal kickoff meeting at 7:00 pm on Monday, December 12th. This meeting will include a presentation by Bill Najpauer of the Midcoast Council of Governments as well as a question and answer period. Notice of this meeting will be posted around town and distributed by email next week.

The most interesting items were:

- A request for funding was received from the Lifeflight Foundation. It was pointed out that Georgetown has not provided support to this organization in the past.

OLD BUSINESS:
