THE MEETING: The meeting was for the sole purpose of discussing the Ledge-Island LLC application to renew Tree Growth Status for Lot 07R 039 (Stage Island) in executive session with an attorney from the firm of Brann and Isaacson.

After the executive session, the Selectmen went into open session to hear any public comments. I asked when the Selectmen would make a decision on the application. The answer was probably at their next meeting (February 26). I was informed that Ledge-Island now was asking that the parcel be placed in Open Space rather than Tree Growth.

The next meeting of the Selectmen will be at 7 PM on Tuesday, February 26 at the Town Office.
